

REQUEST FOR STATE BOARD WAIVER

THIS IS A PUBLIC DOCUMENT

Date: March 20, 2017

Name of Board Member or Former Board Member: Lori Wagner

Name of Board, Authority or Commission: South Dakota Board of Education

Brief explanation of your potential conflict of interest:

*I am employed by the E-Learning Center at Northern State University (NSU) as a master teacher of mathematics.*

Brief explanation of the current or anticipated business transaction with a State agency or with a political subdivision of the State and your role in the transaction:

*I have an employment contract with the South Dakota Board of Regents (BOR) as an NSU employee that expires June 21, 2017.*

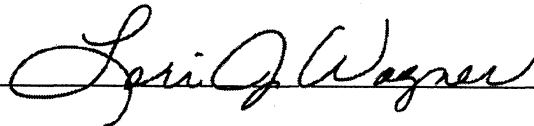

Brief explanation of the essential terms of the contract or transaction:

*The contract is a standard BOR employment contract to serve as an NSU employee.*

Brief explanation of why you believe a waiver should be granted:

*In my position with the E-Learning Center, I do not approve of or administer contracts between NSU or BOR and other entities. However, because my employment contract with a state agency (BOR) may involve some subject matter of the South Dakota Board of Education (classroom mathematics standards), I am disclosing the contract and requesting a waiver. My employment as a teacher serves the public interest, and if any specific issue comes before the Board for a vote that may constitute a potential conflict of interest, I will disclose it and abstain from the vote.*

Signature of Person Requesting Waiver:

A handwritten signature in cursive script, reading "Lori Wagner", is written over a horizontal line.
