## Coaching Homework

### Coaching/Literacy/Data

- Coaching Handout to be completed by **May 12/returned via email to [Teresa.Berndt@state.sd.us](mailto:Teresa.Berndt@state.sd.us)**

### · By the June Launch Meeting

**\*Review the following questions and add them to your [action plan](#) documents.**

### Literacy:

- Identify which literacy curriculum is currently being used k-5 in the district?
- Are general education and special education using the same texts or modified version of texts?
- When was the last curriculum review? Does there need to be assistance with a new curriculum implementation? Does there need to be a review process for an upcoming literacy curriculum review?
- Have the foundational reading textbooks/multi-measures texts been ordered for all K-5 teachers in the SPDG program?
- Has a laptop been purchased for instructional literacy coaches in the district?

### Data:

- Has EOY data and SBAC reports been reviewed to help identify areas the team feel need to be addressed in their Action Plan for the building/district?
- Identify when benchmarks are completed currently. Are there three (BOY, MOY, EOY) benchmarks? Can dates be set in advance for continuity K-5 when those deadlines will occur?
- Which assessment tools are being used currently? Do these have a universal screener k-5? Do they have a progress monitoring tool?
- When was the last time that K-5 had a training on the current assessment tools? Will your district need to have a training for continuity of assessments and/or screenings?
- Does an additional data training need to be included into PD/coaches schedule? Does DOE need to provide a trainer/contact to assist the coach or provide the assessment training?
- Has a SD Stars Permission form need to be completed for sharing data with DOE (AIMSweb, DIBELS, by fall NWEA)?
