2001-2002 EXPENDITURE DATA & RANKINGS

The calculated cost per ADM reported here is intended to represent the cost of educating a student in-district, therefore the following expenditures were not included: tuition payments, adult programs, community services, preschool, and residential and day programs. Expenditures may also be reduced by revenues received for services provided other school districts (i.e. teacher sharing).

2001-2002 EXPENDITURE DATA & RANKINGS

The calculated cost per ADM reported here is intended to represent the cost of educating a student in-district, therefore the following expenditures were not included: tuition payments, adult programs, community services, preschool, and residential and day programs. Expenditures may also be reduced by revenues received for services provided other school districts (i.e. teacher sharing).
