

HAMISH BREWER

- Relentless Learning
- TEDx Speaker - Award Winning Principal
- Nationally Distinguished Principal

When the name Hamish Brewer is mentioned, a number of words come to mind; relentless, innovative, maverick and loyal. Hamish Brewer is a visionary unfazed by conventional leadership and educational practices and theories, which leads him to push boundaries and challenge archaic process and practices.

As a leader and speaker, Brewer is considered an inspiration, innovator and motivator by those who have met, watched or listened to him.

Hamish Brewer is an award winning Title 1 Principal. Mr. Brewer is a Nationally Distinguished Principal and has seen his school awarded the Nationally Distinguished Title One School designation.

He has over 20 years' experience serving as a classroom teacher, administrator, international education director and an educational consultant in the United States and abroad. Mr. Brewer is a highly regarded and sought after keynote and conference speaker on key educational topics from school improvements to engaging practices, motivation and best performance practices.

Brewer is high octane in his approach to children, teachers and his community. Hamish Brewer has been nominated for numerous leadership awards for his visionary approach and results in education. Mr. Brewer is currently a principal in Prince William County, one of the largest divisions in the country, helping in best practices and advances in the implementation and use of technology.
